

## PLACEMENT OF STUDENTS

In our Teacher Education college we are running B.Ed two year regular course with an intake of 50 pupil teachers.

**Placement Cell:** - To provide all possible assistance for better placement opportunities to our prospective teachers, our college has established placement cell in 2014. The cell acts as a liaison between recruiting agencies (reputed schools of the region) and interests of the students. Students are also provided guidance/assistance to qualify various teacher eligibility tests by teacher educators of the institution.

**Placement Procedure:** - Every Year the college organizes 'on campus placement program' to acquaint the students to their prospective schools. Reputed schools of the regions are invited to conduct interview of B.Ed second year students. Besides this the placement cell attempts to keep the students informed about potential job opportunities by displaying information on notice boards regarding vacancies in different schools. Students are also encouraged to take part in the various stages of off-campus drives/job fairs conducted in the region.

**Placement of students in previous years:** - On campus placement program was organized by the placement cell in April 2015. Esteemed & prominent schools of the region were invited. Students were shortlisted for demonstration by the concerned institutions. Every year about 20 to 30 percent pupil teachers get placement in various schools.

**Placement Record:** - Record will be updated and displayed shortly.

**Planning for the current session:**-This year we will organize on campus placement drive most probably in the last week of April. Following schools are likely to be invited for the current session keeping in view the vacancies in the schools.

- Holy Child Public School
- Satish Senior Secondary School
- Raj International School
- Hindu High School
- Bal Bharti Senior secondary School
- Vandana High School
- J.R.Memorial School

Meanwhile various activities are planned to increase students' employability.

- Training in resume writing
- Conduction of Mock Interview in college Campus
- Interaction of students with renowned personalities in the field of teaching.
