Subject: Proposed Academic Calendar (B.Ed. 1<sup>st</sup> & 2<sup>nd</sup> Year) for the session 2021-22.

Respected Sir

I am hereby sharing a proposed Academic Calendar keeping in view the guidelines of higher authorities. Our College IQAC cell worked in this direction keeping in view the welfare of the students. Following are the Points for your kind consideration:

- The most significant part of academics is teaching days which should be 200 as per the NCTE norms & regulation. The proposed should academic calendar adheres respecting the guidelines of the NCTE. Moreover, it incorporates all the technicalities like timely completion of the syllabus, examination etc. so that students could wisely choose their future higher education opportunities/ career opportunities. Apart from this, the loss occurred due to Covid-19 pandemic on the ongoing education schedule would be minimized.
- The calendar of degree and B. Ed Colleges could not be facilitated together because. The examination system of B. Ed is annual whereas semester system is followed in degree colleges. There degree colleges begin in July. All the universities issue different academic calendar for both B Ed and degree Colleges.
- Sir, the purpose of sharing this proposed academic calendar is to kindly experience by B.Ed Colleges so that the judicious initiation could be brought in this issue keeping the quality of education and welfare of the students.

The proposed Academic Calendar along with counting of teaching days is given as under:
