Satish Public College of Education, Rewari

Internal Quality Assurance Cell (IQAC)

Meeting Date: 14.10.2025

Agenda for IQAC Meeting

To Review Current Academic Standards

* To analyze student performance, faculty feedback, and existing curriculum.
* To identify gaps in current teaching-learning practices and outcomes.

To Enhance Teaching and Learning Methodologies.

* To discuss the adoption of modern pedagogical approaches such as flipped classrooms, blended and experiential learning.
* To promote effective integration of technology in classrooms through digital tools and online learning platforms.
* To plan faculty development programs and training sessions for innovative and outcome-based teaching practices.

To Enrich Curriculum and Promote Innovation

* To propose curriculum revision in line with emerging educational and industry trends.
* To incorporate value-based, skill-based, and practical learning components within the syllabus.
* To organize workshops, guest lectures, and seminars focusing on contemporary educational practices and innovations.

To Strengthen Student Support and Development Services

* To improve mentoring and academic guidance programs for students.
* To enhance academic counseling, remedial support, and career guidance mechanisms.

To encourage active participation in extracurricular and co-curricular activities for holistic development.

To Improve Evaluation and Feedback Mechanisms

* To review the faculty appraisal and feedback system for greater effectiveness.
* To encourage peer evaluation, student feedback, and self-assessment practices for continuous improvement.

To Promote Research and Development Initiatives

* To foster a research-oriented culture among faculty and students.
* To provide institutional support, resources, and incentives for faculty research projects.
* To motivate students to undertake research projects, publish papers, and present findings in conferences.

To Foster Collaborations and Institutional Partnerships

* To explore academic and research collaborations with reputed institutions and universities.
* To strengthen linkages with industry partners for internships, placements, and knowledge exchange programs.

To Ensure Quality Assurance and Accreditation Compliance

* To review progress on NAAC and other quality assurance benchmarks.
* To formulate strategies for sustaining and enhancing quality parameters and institutional excellence.

To Encourage Open Discussion and Suggestions

* To invite ideas, proposals, and feedback from all members for continuous quality improvement and innovation.

To Formulate Action Plan and Assign Responsibilities

* To summarize action items arising from discussions.

...assign responsibilities and define timelines for effective implementation and follow-up.
